He sees you when you're wasteful. He jumps with joy and glee

His Landfill Mountain's growing as far as you can see

3. Rumpy the Red Nose Wiggler was a very hungry worm

He loved to eat banana peels He would swallow as he squirmed

All of the other red worms, only ate salad scraps

Rumpy the Red Nose Wiggler, was a compost bully chap

But the next time when,banana peels, Were dumped from the kitchen bin

All the red worms coiled up and would not let Rumpy in

6. I'm afraid we're gonna have a brown Christmas,
With El Nino and climate change
And with global warming ski slopes won't be forming

I'm afraid we're gonna have a brown Christmas,
And with each lift ticket that I buy
I'll be dreaming of light and fluffy white,
Snow a falling on the slopes tonight

Should ye be fake or real?
